DAILY PUBLIC LEDGER-1908

MAYSVILLE, KENTUCKY, THURSDAY, JULY 20, 1910.

ONE COPY—ONE CENT.

## O. S. L.

Gives up the Ghost According to a  
Telegram Received Here Yester-  
day—Semi-Professional Team  
May Be Organized.

Chillicothe, Ohio, July 19.—The Ohio  
State League gave up today and de-  
cided to quit for the season. Recently  
Huntington and Frankfort dropped  
out, and it was decided to try to run  
the last half of the season with four  
clubs.

Lexington, however, was unable to  
hold up its end, and forfeited its fran-  
chise and today it was decided to dis-  
band the league.

A telegram was received here yes-  
terday afternoon by President Russell  
from President Carr advising him that  
the remaining games of the season  
were cancelled and the future of the  
league was very much in the dark.

If the league should break up it  
will be on account of Lexington's  
stand at the end of the first half. The  
Lexington team first decided to sell  
intact to the Huntington Boosters and  
later went back on the agreement. Of  
course Huntington was pestered and the  
chances of putting the Ohio State  
League in Huntington were forever  
closed. Lexington played four games  
in the second half and then threw up  
the sponge. This left three teams, all  
of whom were willing to finish the sea-  
son. Huntington is a good baseball  
town and if the Lexington team had  
transferred her team to that city, the  
season would have been finished with  
everybody satisfied.

The local men who are backing the  
team said this morning that they were  
doing their best to make the league  
go on but admitted that it looked hope-  
less. Ironton is the only salvation of  
the league and it will be known by  
night whether or not the league will  
go on or not.

If the league gives up the ghost a  
semi-professional team will be orga-  
nized here to play on Sundays. This  
will be a great thing for those back-  
ing it for many will want to see ball  
whether organized or not.

Miss Hazel Aldrich of Paris is visit-  
ing Miss Esther Ort of Front street.

## WORK BEGUN ON DAM

Work has been begun on the dam  
in Limestone Creek near Broad's  
blacksmith shop. The dam is being  
built to prevent the water from un-  
dermining the road way. A wall has  
been built along there to stop the  
washing away of the side of the creek  
but this does not seem to do the work  
as it was expected to do. The dam  
will make the creek bed almost even  
with the road and will entirely remove  
the danger of washing away any part  
of the road during a heavy storm. Sev-  
eral years ago there was a dam at this  
place but it was torn down for some  
reason or other. Farrow & Co. have  
the contract to build the dam.

## GIVEN ONE YEAR IN JAIL

Martin Fultz, who escaped from the  
prison guard late Monday afternoon,  
was recaptured by Special Detective  
Thomas Stewart of the C. & O. and  
Officer Throckmorton Tuesday night.  
He was given a trial in Squire Fred W.  
Bauer's Court yesterday afternoon and  
sentenced to one year in jail. This  
shows that it is a pretty hard matter  
to get away from the local police and  
escaped prisoners when recaptured  
will get a pretty stiff sentence.

## FOOT MASHED

William Whaley, who lives on Bull  
Creek, had his foot badly mashed Mon-  
day afternoon while working on the  
new house being erected by Council-  
man J. D. Easton on West Third  
street. A large sill rolled on his foot  
and for a while it was thought that  
his foot was severely injured. He  
was removed to his home. Investiga-  
tion proved that it was strained and  
that he would be able to be out again  
in a few days.

## PRAYER MEETING

Regular weekly prayer meeting ser-  
vices at the Third Street M. E. Church  
this evening 7:30 o'clock will be led by  
pastor, Rev. J. M. Lital.

All are cordially invited to attend  
this service. A Christian welcome  
awaits you.

The choir will practice immediately  
following this service.

## STATISTICS

Of Births and Deaths in Mason County  
During the First Four Months of  
1910—Interesting Record.

The Bureau of Vital Statistics of the  
State Board of Health has issued bul-  
letins showing the number of births  
and deaths recorded in Mason county  
and the State of Kentucky during the  
first four months of 1910. They will  
issue these bulletins by months as soon  
as they can be tabulated in the  
State office, in order to enable the  
health officers and the people to know  
the exact spot where preventable dis-  
eases are reaping their richest har-  
vest and to guard against the invasion  
of such diseases by advance knowledge  
of the occurrence in adjacent territory.

It will be seen that deaths from pre-  
ventable diseases are responsible for  
nearly one half of the deaths and if  
the knowledge concerning the pre-  
vention of these diseases were prac-  
tically applied, the citizens of this  
county and of other counties would  
save a great deal of money paid out  
to physicians and druggists.

Mason county ranks rather high in  
the death rate as compared to the other  
counties in the State having 109  
deaths to its credit for the first four  
months of the present year. The  
deaths by months are: January, 26;  
February, 31; March, 30, and April,  
22. During this time there has been  
118 births in the months respectively:  
January, 32; February, 30; March, 35;  
April, 21.

The following is the record of deaths  
and the causes from which the persons  
died:

All deaths, 109.  
Aged one year and under, 18.  
Age one to five years, 6.  
Age five to sixty-five years, 45.  
Age 65 years and over, 40.  
Tuberculosis of lungs, 13.  
Other tuberculosis, 1.  
Pneumonia-broncho-pneumonia, 24.  
Diphtheria croup, 1.  
Measles, 2.  
Dysentery and diarrhoea (over 2  
years), 1.  
Influenza, 5.  
Cancer, 4.  
Puerperal septicemia, 1.  
Violence, 2.  
Preventable, 52.  
Total births, 118.

It may be possible that some child  
has escaped registration by the at-  
tending physician. This is becoming  
more and more important to prove the  
age of a child and its rights under in-  
heritance laws and to protect its per-  
sonal and social rights. For example,  
only a very few people in the State of  
Kentucky can prove by any sort of of-  
ficial record who their ancestors were  
a few generations back, and there  
would be considerable difficulty to  
prove whether they were white or  
black so far as any official record of  
it has been made. If any citizen de-  
sires to know whether or not the birth  
certificate of his child has been regis-  
tered in the State office for perma-  
nent preservation, an inquiry directed  
to the State Registrar, Bowling Green,  
Kentucky, will show whether or not  
a physician or any one else responsi-  
ble under the law has been negligent  
in protecting the rights of such child.

## OLD MAYSVILLE BOY

The Ledger is in receipt of a letter  
from Mr. Ernie Ort, for many years  
an efficient clerk in the local post-  
office, stating that he is very pleasant-  
ly located in Detroit, Mich., with a  
splendid position in which he expects  
to advance as he becomes acquainted  
with its duties.

Ernie says he is sorry he did not  
leave the Government Service ten  
years ago.

The Ledger is more than pleased to  
learn of his good fortune. We have  
never questioned his ability to suc-  
ceed, because he is not afraid to  
work.

## NEW FIRE ESCAPE

Work will be begun on the fire  
escape to be installed on the High  
School building within the next few  
days and will be rushed to completion.  
The escape will be spiral and will be  
located on the southwest corner of the  
building. The Kirk-Bender Fire Es-  
cape Co., of Louisville will do the work.

## NO RAIN YET

The clouds hung heavy yesterday  
about noon but the expected deluge  
did not materialize. Everyone expect-  
ed to get a regular rain once more  
but Jupiter Pluvius fooled us that  
time. A heavy rain as far down the  
river as Garrison, Ky., was reported  
but nary a drop saw we.

## COUNTY COURT

In County Court yesterday Carrie  
Jackson, colored, was appointed guar-  
dian of Anna L. Weaver, colored. She  
qualified with R. W. Keese as surety.

## BARGES CAUGHT

The barges, which escaped from the  
Mayville Coal Co.'s wharf yesterday  
morning have been captured. The  
first was caught at Dover and the other  
at Stony Point near Wellsburg,  
Ky. The float has not been heard  
from and it is likely to go on down  
the river as it was floating partially  
submerged. The Company lost quite  
a bit when the barges broke loose,  
there being over 5,000 bushels of sand  
in one of them, besides a great quan-  
tity of rope and chain on the float. One  
of the barges had been recently pur-  
chased by Mr. Hunsicker to be made  
into a new float. The barges and float  
broke away when they were hit by a  
large tree floating down the river.

## LEXINGTON IS AFTER REPUBLICAN OPENING

Lexington, Ky., July 20.—Thomas M.  
Owsley, prominent Lexington Republi-  
can, left yesterday afternoon for Lou-  
isville, where he will have a confer-  
ence with those in charge at State  
Headquarters in reference to the pos-  
sibility of bringing the opening of the  
Republican State Presidential cam-  
paign to this city.

The Republicans believe that Lex-  
ington should have a campaign open-  
ing and as the Democrats passed up  
the opportunity to bring the Demo-  
cratic opening here, they will make  
the effort to land the opposition in-  
augural. Mr. Owsley will return to  
Lexington today.

## ENJOYABLE DANCE

The dance given at Beechwood Park  
last evening was a most delightful af-  
fair. Quite a number attended, includ-  
ing many from out of town. The  
music furnished by the Parker Quintet  
of Columbus, Ohio, was some of the  
best of its kind ever heard in this  
city.

## ACCEPTS POSITION

Mr. Theodore Cullen has resigned  
his position as barber in the Cullen  
Barber Shop and accepted a position  
with the Squires-Brady Co.

Mr. and Mrs. William Jones, Mrs.  
Minnie Frisch and sister, and Miss  
Fettie Ruark returned to their home  
in Newport, Ky., yesterday after being  
called here by the death of Mr. Orville  
Jones.

## MARRIAGES

### Davis-Flora

Mr. Robert Flora, 22, and Miss  
Gladys Davis, 21, both of this city  
were married in Flemingsburg yester-  
day by Rev. H. M. Standifer.

### Freyer-Jarries

Mr. James Jarries, 22, of Ports-  
mouth, Ohio, and Miss Alice Freyer,  
18, of Trinity, Lewis county, were mar-  
ried in this city yesterday by County  
Judge W. H. Hile.

### Prewitt-Kennedy

Mr. Stanley Kennedy 18, and Miss  
Maude Prewitt, 15, both of the county  
were married at the parsonage of the  
Third Street M. E. Church yesterday  
by Rev. J. M. Lital.

### Orchaugh-Neal

Mr. William S. Neal, 30, and Miss  
Anna Ethel Orchaugh, 22, both of Man-  
chester were married in this city yes-  
terday by Rev. John Barbour of the  
First Presbyterian Church.

### KINDLING

Any one desiring a load of good dry  
kindling can have same by calling at  
the Ledger Office. It is FREE.

## "The Home of QUALITY Clothes"

OUR MINDS ARE INFLUENCED TO AN APPRECIABLE DEGREE BY THE APPEAR-  
ANCE WE PRESENT TO OTHERS.

## HECHINGER CLOTHES

inspire their wearers with the consciousness of being well dressed and puts their minds at  
ease in that respect.

## "HECHINGER" WEARERS NEVER FEAR CLOTHES COMPARISON

If you really want good clothes without paying too much for them, see ours by all means.  
We have everything in the way of furnishings that you may require and would like to  
have you see our line (which is not confined to a single man's ideas.)

This is a store that has a nice assortment of good merchandise, and is anxious to serve  
and please you.

## D. HECHINGER & CO.

## The Clearaway For Which You Have Waited

Haven't you heard women say "I like to buy dresses in July for then the prettiest frocks can be bought so cheap."  
This is the next to nothing clearaway and best of all it is a sale of really pretty dresses, new and fresh, not an unde-  
sirable one in the lot! Our entire stock is included and at reductions of one-fourth, one-third and one-half.

## House Dresses Wearable on Porch or Lawn

Styles of such comeliness, yet so sturdy that they will stand the wear and tear of household duties yet make a good  
appearance on the porch, for a neighborhood call or to receive morning visitors.

Some of the dresses show a touch of trimming in embroidery or lace. Materials are gingham, percale, lawn, voile and  
linen. Prices range from \$1 to \$2.98.

1852

**HUNT'S**

1916

The Pleasure Boat "Outing" Tues- day and Friday evenings will leave the wharf at 7:30. 10 miles ride 15c.	In Squire Fred W. Bauer's Court yesterday Mary Howe was fined one dollar and costs for breach of peace.	In Squire Fred Dresel's Court yes- terday, Henry Green, colored, was fined \$9.15 for breach of peace.	Mr. Paul Driscoll of Philadelphia is visiting friends in this city for a few days.

Six Months ..... 1.50  
Three Months ..... .75

## DELIVERED BY CARRIER.

Per month ..... 25 Cents  
Payable To Collector At End of Month.

For President—Charles E. Hughes of New York.  
For Vice-President—Charles W. Fairbanks of Indiana.

## DEMOCRATS UNDER BIG HANDICAP

Some of the Democratic leaders are coming emphatically to the opinion that the initial advantage in this campaign lies with the Republican party.

The most capable Democratic statistician can figure no more than 202 votes in the Electoral College which by any possibility, near or remote, can be claimed for Wilson; while the same Democratic lead pencil sets down 249 electoral votes as reasonably certain for Hughes. A majority of the Electoral College is 266 votes. According to these Democratic figures, therefore, Wilson must win 64 votes from States which the Democrats class as doubtful, whereas Hughes needs only 18 from the same source.

The four States which the Democrats look upon as doubtful and wherein they purpose to concentrate their heavy fighting during this campaign are New York, with 45 electoral votes; Indiana with 15; New Jersey with 14; and Connecticut with seven. To elect Wilson, under these conditions, requires that he carry three of these States—and one of the three must be New York—whereas Hughes can win by carrying New York alone, or by carrying any combination of two out of the other three.

In studying the problem, the figures of the two preceding Presidential elections are most interesting.

New York in 1908 gave Taft 870,000 votes, Bryan getting 667,000. In 1912 Wilson had 655,000, and the combined Taft and Roosevelt strength was 845,000.

In 1908 Indiana was carried by Taft against Bryan by 348,000 to 338,000. In 1912 the Hoosier Democrats gave Wilson 281,000 votes to 313,000 polled for Taft and Roosevelt together.

New Jersey gave Bryan, in 1908, 182,000; and to Taft 265,000. Four years later Wilson received home support of 178,000, while Taft and Roosevelt together had 234,000.

Connecticut in 1908 was carried by Taft to the tune of 112,000 to 68,000. In 1912 Wilson got 178,000, while Taft and Roosevelt together had 234,000.

In other words, in the four States which Democratic sources sayers count as "doubtful," there is only one—Connecticut—where Wilson received more votes in 1912 than Bryan had in 1908; and in not one of these four States was the combined Taft and Roosevelt vote of 1912 as great as that which Taft received alone in 1908.

That is to say, united Republicanism was thousands of votes stronger in 1908 than the total vote of divided Republicanism in 1912; while Wilson was not as good a vote-getter as Bryan showed himself. To put it exactly as the figures show, Wilson was 67,000 weaker than Bryan, while there were 101,000 more men who voted for Taft in 1908 than voted for Taft and Roosevelt together in 1912.

These 101,000 Republicans who were disgusted with the internal party warfare of 1912 and who refused to vote at all, will be called to the polls this year by the renomination of the Republican elements. Thus, in the four States which Democrats admit to be doubtful, Mr. Wilson confronts the necessity of making up the 67,000 votes which constitute the Bryan excess of 1908 as compared with the Wilson vote of 1912, and at the same time he must overcome the Republican reserve of 101,000 which is disclosed by the figures of the two elections. His handicap, therefore, is 168,000 in the race for the 81 electoral votes which these four "doubtful" States will have to give.

He can never overcome that handicap.

President Wilson criticizes Republicans because they are "backward looking men." It is no wonder that a Democrat dislikes anyone who looks back upon the record of the Wilson administration.

The fellow who lays down on a job usually finds that the job has wriggled from under him.

## A GREAT BARGAIN

## An Ideal Offer For the Home

The Daily Public Ledger One Year ..... \$3.00  
The Ohio Farmer ..... 82 Copies  
McCall's Magazine & Pattern ..... 12 Copies  
The Housewife ..... 12 Copies  
We Will Send You These Four Publications For Only

Your own home newspaper, America's foremost farm paper and two household magazines, known far and wide as the best our country produces. These publications are too well known for discussion.

THE OHIO FARMER ..... for more than 60 years it has been recognized as America's leading authority on farm subjects, practical and of interest to every one in the home. Twenty to forty-eight pages work week. Subscription price 50c per year.

OUR PAPER ..... our aim will be to continue to publish a paper that will not only merit your confidence and good will, but one that will aid in promoting the welfare of our home and civic life. It is essential to any man.

Don't miss this offer—Send Your Order Today to The Daily Public Ledger, Maysville, Ky.

YES, THAT FOOTBALL PLAYER IS A GOOD KICKER BUT YOU SHOULD HAVE SEEN MY FIANCE KICK WHEN HE ATTENDED COLLEGE—HE DID MOST OF THE KICKING FOR THE YALVARD TEAM!

BUT THIS IS HOW HE DID IT

## HINDENBURG

In Confab With Kaiser To Devise Means to Check Allies' Drive; Heavy Bombardments on Saloniki Line.

NEW THRUST CARRIED OUT BY BRITAIN ON SOME LINE IN FRANCE.

GERMANS REGAIN SOME TERRITORY IN ATTACK ON FRENCH LINE—LATEST NEWS FROM OTHER FRONTS.

Amsterdam, July 18—Field Marshal von Hindenburg, Commander of the northern group of German armies in the Russian theater, is holding on the west front a council of war with the Kaiser and General von Falkenhayn, Chief of the German General Staff.

The genius of the German army has been called upon to devise supreme measures for checking the allies' offensive on the western front, which is menacing important junction points of strategic railways whose possession is necessary if the Germans are to prevent a general retreat.

The same dispatch from Berlin adds that Field Marshal von Hindenburg probably will be put in supreme command of all the German and Austro-Hungarian troops on the eastern front. Following up their successes near Bazentin-le-Petit and Longueval, where they have driven close to the third line of German defense on the Albert Plateaus, the British now have carried out a new thrust forward north of Ovillers, making substantial progress along a front of more than a half mile.

Menace for Germans The British drive was launched near the left flank of the line active in the present offensive southeast of Tiedval, and, if followed up, seems likely to threaten seriously the strongly held German position at Pozieres, to the east.

The expected counter attacks of the Germans in efforts to recapture ground recently won by the allies in the Somme offensive have materialized along the front occupied by the French south of the Somme.

In an attack on the French lines between La Maisonnette and Blaches the Germans succeeded in regaining territory along the canal east of Blaches. Their assault on La Maisonnette itself, a costly operation, was a failure, says a Paris bulletin.

In the Verdun region there has been further activity. The French broke up a German raid on Hill 304, west of the Meuse, while grenade fighting on the eastern bank of the river resulted in advantage to the French, according to the Paris report.

Belgian troops have won an important success in German East Africa, dispersing a German force near Lake Victoria and reaching at two points the shore of the lake in the northern part of the colony.

## Russian Repulsed

The complete repulse of Russian attacks in the region west and southwest of Lutsk was announced today by the Berlin War Office.

South and southeast of Riga the Russians continued their strong offensive, but their assaults broke down before the German lines or were repelled by counter attacks where the German trenches had been penetrated.

The official Berlin statement on operations along the eastern front follows:

"Army group of Field Marshal von Hindenburg: The Russians continued their strong attacks south and southeast of Pila. These broken down with sanguinary losses before our positions. At places where the Russians

entered our trenches they were ejected by counter attacks.

"Army group of Prince Leopold: There were no incidents of importance.

"Army group of General von Linsingen: The situation generally is unchanged. Russian attacks west and southwest of Lutsk were completely repulsed.

"Army group of General Count von Bothmer: There have been minor outpost engagements."

On Saloniki Front Official advices received from Saloniki under date of Monday say that cannonading is in progress along the entire Saloniki front.

"Allied aeroplanes burned part of the Bulgarian crops in the region of Mouastir," the Paris statement says.

"There is cannonading along the whole front." The information given out by the French authorities in regard to the situation at Saloniki is not sufficiently explicit to indicate whether the entente allies are preparing an offensive movement such as would be preceded by a general bombardment. A drive from the Saloniki front has been predicted for some time.

There are some 130,000 Serbian troops on this front, several hundred thousand French and British soldiers. It is generally understood the allies have 600,000 or more men available for a campaign.

Opposed to them are the Bulgarians with unknown numbers of Turks, Germans and Austrians.

## LABOR HELPS BRITAINS; HOLLANDS POSTPONED

London, July 18—Organized labor of England responded today to the government's appeal to postpone the August holidays so that the British offensive may be carried on with no shortage of ammunition. At a conference of trades unions it was decided unanimously to recommend that the government's suggestion be adopted.

CONFERENCE REPORT ADOPTED Washington, July 18—The House today adopted the conference report on the postoffice appropriation bill. It now awaits action by the Senate.

ARE YOUR KIDNEYS SICK? Many Maysville People Have Kept Well By Keeping Their Kidneys Well.

The first symptom of kidney trouble may be only a slight pain in the back, a feeling of stiffness or soreness in the loins, or some annoying irregularity of the urinary passages. Urine is often discolored and perhaps sediment gathers upon standing. Next may come a dull, throbbing backache, sharp, knife-like pains, headaches, dizziness and in many cases, lameness when arising in the morning. No one can afford to delay until these troubles become serious. Begin using Doan's Kidney Pills, the tried and tested kidney remedy that has won the praise of thousands. Maysville readers should find convincing proof of merit in the following statement. It's from a resident of this locality.

A. Sorries, Locksmith, Aberdeen, O. says: "The action of my kidneys was irregular and the kidney secretions contained sediment. I had backache and when stooping, it was hard for me to straighten up. Colds always settled on my kidneys. I used Doan's Kidney Pills and they stopped the trouble and my kidneys became strong." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mr. Sorries had. Foster-Milburn Co., Props., Buffalo, N. Y.

## MAYOR LEE

Issues Proclamation For "Clean-Up" Days to Be Held Wednesday, Thursday and Friday.

The State Board of Health, having issued a proclamation and warnings to the County, Boards and Municipalities throughout the State calling attention to the fact that Infantile Paralysis, now epidemic in many of our large cities, is spreading throughout the entire land. The cause of this most dreaded disease, in the opinion of the best medical authorities, is filth and lack of sanitation. And, while the disease is usually confined to infants and small children, adults are by no means immune to it.

Because of the conditions that now confront us we are making this urgent appeal to every citizen of this city who values the health, the life and happiness of the people of this community to co-operate with the County and City Boards of Health, the Health League and the Woman's Club and, especially do we ask the Chamber of Commerce for their assistance and co-operation in this very serious matter. On account of the above conditions we deem it prudent and do hereby issue the following proclamation:

I, J. Wesley Lee, Mayor of the City of Maysville, Kentucky, do, by this order, proclaim and set apart Wednesday, Thursday and Friday, July 19th, 20th and 21st as clean up days for this city and, by this order, command the Street Commissioner to thoroughly clean all the public streets and alleys and all public places from all filth and trash of every kind, flush all sewers and gutters and to place same in a sanitary condition. Every resident within the City limits must thoroughly clean their premises from every manner of trash, rubbish or garbage. Lime all drains and outhouses and place their premises in a perfect sanitary condition. This order also applies to all merchants, shop keepers, grocers, meat markets, manufacturers and every kind of business. Keepers of livery barns or private stables are ordered to remove all manure from or near their stables and use lime freely and to whitewash all stables where horses or other stock is kept. Chicken yards and chicken coops must be thoroughly cleaned. Positively no horse will be allowed to remain within the City limits. Citizens who fail to obey the orders of this proclamation will be prosecuted in the courts. Landlords, owners of real estate and their agents will be held responsible for the acts of their tenants. Persons who are too poor to pay for the carrying away of their trash and dirt, if they will pile same in a convenient place and notify Mr. Ben T. Smith, Street Commissioner, he will have same removed. The City will also furnish lime to those who are unable to pay for it. This July 17th, 1916.

J. WESLEY LEE, Mayor.

## QUAKE CAUSES PANIC IN AUSTRIAN CITY

Amsterdam, July 18—Great damage has been caused by an earthquake in the region of Flume, Austria. In the city of Flume a terrible panic was caused.

Flume is a city of about 40,000, at the northeastern extremity of the Adriatic Sea. It is an important seaport. There have been several earth disturbances recently in the region of the Adriatic, principally in lower Italy and Sicily.

## ENTER! SAYS WILSON TO CASTRO

Washington, July 18—Freedom to enter the United States, once denied, was granted tonight to former President Cipriano Castro, of Venezuela, and his wife by order of Secretary Wilson, of the Labor Department, who overruled the decision of the special board of immigration officials at New York denying them admission. Under the Secretary's ruling the Castros are free to go to Porto Rico, as they had planned, or to remain indefinitely in the United States.

No one is necessarily good because he is making good.

### MASON COUNTY TURNPIKES

Having written eight articles upon the turnpike question, I am not surprised at the fellows whose toes are being tread upon and who have had absolutely full sway in the management of Mason County's turnpikes affairs, have become very sore, and one of the parties who has been the object of very large favors, and in most instances, without competition in bidding on contracts with the present administration, took it upon himself to make a personal attack upon me, of course, this attack was in the way of vilification and which is of much assistance in benefiting his cause. This party notified me that I was a dead one, politically, and that neither I or any one connected with me could ever again get anything from Mason County, in the way of a political favor. It is true, Jas. H. Key, my father, is Circuit Clerk of Mason County and elected on the Democratic ticket, but should that fact deter me or purchase my influence for the benefit of an incompetent management in the administration of Mason County's affairs? As a taxpayer and private citizen, I propose not to be purchased or bribed in any particular, I further propose to carry out the investigation of Mason County turnpikes, and I do not expect to stop until I have completed my work and satisfied myself. If a man makes a competent officer, the fact is recognized. The records of all officers in every community are being more scrutinized each and every year. Flagrant violations of law in the administration of Mason County's affairs as well as every other county will not be permitted much longer. The majority of voters have stopped "jumping thru the hoop" every time the political leader cracks the whip, and no thinking and reading and are wanting value received for the taxes paid, annually. If you will go to the Clerk's Office and look over the records and see the long list of payments without itemized statements showing what these payments are for, then you would not be surprised that our taxes are not meeting the demands of the administration, and it is no wonder that our turnpike fund is overdrawn \$9,000.00; and when did this overdraw commence? It does not date prior to five years ago, therefore, this cannot be laid upon a prior administration. These are facts that the records will bear me out in. I have

have made demand for vouchers, showing an itemized expenditure of the money paid out from our turnpike fund. These vouchers have never been filed in the Clerk's Office, the only place of record in this county. I was requested that I could see same at the County Judge's office. This office is a private one, and, therefore, is not the place for public records. Is this a violation of law?

On July 12th, I took the road in Charleston's Bottoms, known as the Anderson Ferry, which is 1 6-10 miles in length. I followed this road to the Tuckahoe and South Ripley pike, the entire course of which is rough and made so by water running in the middle of the road, no attempt being made to keep same from the road. There are 4 bridges in this 1 6-10 miles, one of which is being built at the present time, using an old iron bridge that was removed from the Model Road on the Mt. Sterling pike. This bridge constitutes all the improvement on this stretch of road, so far this year, however, there is quite a lot of rock hauled ready to be broken. There would not be enough travel in 25 years to wear out the metal that is already on this road, if the water was kept off of it, but strange to say, that the present management seems to think it is more necessary to haul new rock than to keep the water from washing away that which is already there.

The Tuckahoe and South Ripley Pike from T. L. Holton's to South Ripley is 4 2-10 miles, 1 1/2 mile of which is ridge road and not hard to take care of, and for a small expenditure, could be kept in good condition. The hill leading from the ridge down into the Ohio Valley, probably one mile in length, is as rough as one could ever expect to find a macadamized roadway. From the bottom of this hill to the point where the road runs parallel with the C. & O. Railroad, the hard rains have almost washed away in places for lack of gutters and lack of taking care of the culverts. In places, there is 6 inches of mud on the road. The last mile and a half is quite an improvement over the rest of the road, and in saying that, that does not mean that it is very good. There is no rock broken on this road and none being hauled. There is evidence of work in two places amounting to probably \$10 that has been done so far, this spring, and this is the middle of the summer. There was spent on this road, last year, according to the only statement filed in the Clerk's Office, \$130.00, and this expenditure must include the 1 6-10 mile of the Anderson Ferry, The

three miles of this road next to South Ripley should have, at least, \$75.00 per mile, spent annually, and the road tax paid in this vicinity justifies the expenditure of that much money. Strange to say, a member of the Advisory Board of the Fiscal Court, lives on this turnpike. Now, he is not getting the benefit of any of Mason County's money, and the roads in his vicinity show that he makes no effort in that direction. I suspect his argument is that the C. & O. maintains the best road from South Ripley to Maysville, and he is liberal in his spirit with the rest of Mason County, but is he fair to his own constituency? Is he getting for the tax-payers in Dover Precinct, what they are deserving? There are 5 bridges on this 4 2-10 miles, all apparently in good repair.

The road from South Ripley to Dover is 1 5-10 miles in length, and is all bottom road and is in fairly good condition. There was spent last year \$90.35, and this much spent judiciously, annually, would keep this road in good condition. There are 7 bridges in this 1 5-10 mile pike, but I should remind our turnpike management, that they have overlooked a bit. One of these bridges is in bad condition and needs repair, and it is a wonder, that broken stone is not already on the ground to replace this bridge in bad condition, with a concrete one.

From Dover, I pursued the Dover and Tuckahoe pike, which is 4 9-10 miles in length. The 3 2-10 miles next to Dover is hard to take care of, owing to the mud washed down from the hill sides, but I am glad to say, that this 3 2-10 miles, is a credit to the average turnpike in Mason County. The management of Mason County has arranged, in fact, a neighbor told me, that a contract had been let to a Maysville Contractor, to put in a concrete bridge, near the home of Adam Plast. Did any one see any bids advertised for on this job, and I beg to ask, now, how many times have bids been asked for, for the construction of concrete bridges in the last five years? The Kentucky Statutes plainly state, that the Road Engineer shall advertise for bids for the construction of roads or bridges.

From the top of the hill on this pike to Tuckahoe, the road runs entirely on the ridge, and, of course, needs little repair and gets very little. There are many places that have never seen rock since the construction of the road about 40 years ago. The bridges on this 4 9-10 miles are three in number, one of which is a large 70 foot bridge over Lee's Creek, just outside of Dover. This bridge needs some repair, which, if done at the present time would probably save Mason County, a new bridge, as it is one of the old time covered wooden bridges.

From Maysville, I took the Dover and Maysville pike, which is entirely a ridge road, with the exception of the long hill, one mile in length, at the Dover end. This road is very sadly neglected. The expenditures of last year do not show any repair work on this pike, at all. For the first two miles next to Maysville, the yellow clay is showing through the bed rock, in fact, bed rock seems to have disappeared in many places, and there is no disposition to put new rock on the places where it is needed most. There is not a load of rock that has been hauled on this entire road of 1 1-10 miles. Rock is scarce and hard to get in this vicinity, and probably is as expensive as most any other place in the county.

I neglected to say, that rock on the Dover and Tuckahoe and Tuckahoe and South Ripley pike are plentiful and should be had for \$2.25 per rod. From the appearance of the Dover and Maysville road, the Road Engineer nor the Advisory Board have seen this road for a year or more, and you cannot wonder at that, as there is not a bridge on the whole 4 1-10 miles.

At the top of the Dover hill, I took the pike leading over into Bracken County, which is one mile in length, and is practically a new road, having been built 18 or 20 years. I doubt that our road management knows that this road belongs to Mason County, as there

is no evidence of a rod of rock ever having been put on this mile of road since it was built. It is needing repair badly, and the tax-payers on this pike certainly should have the benefit of part of their contribution to Mason County's road fund. \$25.00 per mile, would keep this road in excellent condition. \$75.00 per mile, should be applied to the Dover and Maysville road each and every year, as the taxes in those vicinities, justify it. It is needless to talk further about the water running in the road, as it is true of every road one pursues.

From Maysville, I took the German-town road, which is 3 8-10 miles in length, most of which is a good grade and does not cost much to repair. It is in unusually good condition, way above the average, but there is still a number of places that need fixing. Some little ditching has been done on this pike, this spring, but this should not amount to exceed a few dollars. There was no money spent on this pike, last year, according to the Engineer's report. There are two bridges on this pike, one of which is concrete, 32 feet long, and should never have to be replaced. This road does not demand much rock for repair, but it should have some drainage, and the expenditure of \$40 or \$50 per mile, annually, would keep it in very fair condition.

I overlooked calling attention to the Augusta pike, leading from Maysville, of which one mile is in Mason County. This road is rough and needs repair, as it did not have a dollar spent last year. I presume, our management wants to keep Mason County's folks from going to Augusta, but they overlooked the fact, that Bracken County folks sell a great deal of tobacco in Maysville and need this road to travel over.

I have almost completed the measurement, by cyclo-meter of all the roads in Mason County, and I figure, at present, that the entire mileage is going to be less than 270 miles. Now what would you think, if I would inform you that the management of Mason County has no record of the mileage of turn-

pikes, but upon my appearance before the Advisory Board, about a month ago, they told me there were 352 miles of turnpike in the County. Don't you think they are good guessers to miss it almost 30 per cent? The condition of the turnpikes would justify one in remarking, that Mason County tax-payers are not getting value received for our road fund by 30 per cent. Our Advisory Board told me that they had arranged, this year, to spend \$14,000 of the 1910 fund for bridge repair, leaving about \$11,000 to be spent for all the work on the roadways, proper. We have the greatest bridge building outfit in the world, I expect. They certainly think that the bridges are the high spots and that the tax-payers of Mason County are like themselves capable of just touching the high spots.

W. HOLTON KEY.

### WORLD EXEMPT BYPHENATES

Washington, July 18.—Representative James, of Michigan, today introduced a resolution directing the Secretary of State to undertake negotiations of treaties with Germany and with Austria-Hungary to exempt former subjects of those countries, who have become American citizens, from liability for service in the German and Austrian armies and navies.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years doctors pronounced it to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

## HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Caron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without its tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

## CAPTAIN JOHN A. FISHER

One of Few Survivors of Mexican War  
Answers Call of Taps—Patriotic  
To Last, Asks to Be Buried  
With Flag.

Captain John A. Fisher is dead. With United States forces gathered on the Rio Grande, the old veteran, who fought for the Stars and Stripes in Mexico, 70 years ago, answered the last roll call at his home in Chillicothe, Ohio, Wednesday night at 11:10 o'clock. Strangely enough his last illness seized him on Flag Day.

Infirmities of old age and a complication of diseases caused his death. Almost until the end he displayed the indomitable spirit of the soldier that he was.

Veteran of two years, next to the oldest survivor of the first Mexican invasion, he was at the time of his death one of Uncle Sam's most loyal, honored and revered patriots. He died with a bequest that nothing save the American flag and an open Bible be placed on his casket.

As president of the National Association of Mexican War veterans and vice president of the Ohio Association of Mexican War Veterans, he was known widely. He held these two offices for many years.

His death will leave a noticeable gap in the ranks of the National Association. As its next oldest member he was a prominent figure at all the conventions and gatherings of that handful of tottering men.

He was born at Utica, New York, on December 8, 1825. His father came to America from Albee-Lorraine and his mother from County Mathe, Ireland.

When he was 14 years old his parents moved to Ohio and in Chillicothe he cast his first vote. With the first call for the Mexican war he enlisted in Company A, Second Ohio Volunteer Infantry, and he served until the close. He took part in most of the important battles and during the invasion one of his eyes was badly injured.

The war over, he went to Missouri, where he secured a tract of land and laid out the town of Akron.

The outbreak of the Civil War 24 years later found him anxious to again don the uniform of the soldier. He was among the first to enlist in Company D, Missouri Volunteer Infantry, and through brilliant service was quickly promoted to the rank of First Lieutenant.

Following the Civil war he engaged in business in Portsmouth and Maysville, Ky., for several years. Dissatisfied there he moved to Florence, Kansas, and engaged actively in church work. He assisted in establishing the Baptist church of that town and became one of its ordained deacons.

On December 15, 1892 he married Miss Martha Ellen Hall at Maysville, Ky. The union was born two children Eleanor Ester and John Brewere. The son died August 9, 1901.

Three years after his marriage he returned to Chillicothe to take an active part in establishing the Tabernacle Baptist church of that city. He has lived there continuously since that time.

Though blind for many years, he has nevertheless been very active and his absence from the streets of that city will be widely felt. On every patriotic occasion or celebration Captain Fisher liked nothing better than to shoulder a flag and totter along for his country.

The funeral services will be held from his late residence, 231 Arch street, Chillicothe, Ohio, Friday afternoon at 2 o'clock. The Rev. L. A. Wood will officiate and interment will be made in Grandview cemetery.

### NEW FIRE ALARM BOX INSTALLED

## HERE AND THERE

If you have friends visiting you, or if you are going on a "trip," please drop us a line.

Mrs. W. S. Swisher and daughter are visiting relatives and friends in Manchester.

Mrs. Paul Glascock of East Fourth street is visiting Mr. and Mrs. Robert A. Browne of Dover.

Mrs. J. L. Gault of Walnut street is spending a few days with her parents in Murphysville.

Attorney Allan D. Cole left yesterday to attend the Greenup Circuit Court at Greenup, Ky.

Mrs. Albert Shropshire of Dayton, Ohio, is visiting her sister, Mrs. Oscar Grigby of West Second street.

Mr. Clarke Busby of East Front street left yesterday for Cincinnati where he will locate permanently.

Miss Ada Ireland of Cincinnati is spending a few days here with her parents, Mr. and Mrs. James Ireland.

Miss Patti Qualiance has returned to her home on East Fourth street after a visit with relatives in Flemingsburg.

Miss Adelaide Thomas after a most pleasant visit in the county has returned to her home in East Second street.

Miss Susan Thompson of East Third street is on an extended visit to Mr. John M. Baldwin and family of Lamont, Mo.

Misses Estella and Helen Nash of East Second street left yesterday on a two weeks' visit with Mr. and Mrs. Charles Nash of Cincinnati.

Mr. and Mrs. W. H. Meaus and Miss Ida Wall of West Second street will leave today for a six weeks' outing at Park Lake in Fleming county.

Mr. Harry McNutt of Des Moines, Iowa, left yesterday for Cincinnati en route home after a month's visit with relatives and friends in and near this city.

Mr. and Mrs. H. A. Jones and daughter and Mrs. Beckey Jones arrived yesterday on a two weeks' visit with Mr. and Mrs. Charles Nauman of the West End.

Miss Kate Schatzmann returned to her home in Charleston, W. Va., yesterday after an extended visit with her sister, Mrs. William Daugherty, of Fifth street.

Mrs. Katie Cook and Mrs. McGuire came up from Maysville Saturday to join Dr. Skinner and wife on an outing of several days at Parke Lake, Flemingsburg Gazette.

Mr. Roy O. Porter returned to his home in New York City yesterday after a two months' visit with his parents, Mr. and Mrs. John Porter of West Fourth street.

Misses May and Ruth Muse and Master Charles Muse have returned to their home on East Third street after a two weeks' visit with their grandmother, Mrs. Margaret Muse, of Mc Carmel.

Miss Frances Ann Allen of Duluth, Minn., who has been a most interesting guest for the past six weeks at the home of Mr. and Mrs. James W. Fitzgerald, her grandparents, left for her home this morning accompanied by Mr. Fitzgerald.

The Greenbush passed down yesterday en route to Cincinnati.

The Greenwood passed up yesterday en route to Pomeroy. It had a board quite a number of passengers. River travel is becoming more popular each summer and all boats are getting a good passenger trade.

Several large coal fleets are expected to pass before the river gets down to the low water mark again but if the river goes down like it came up there will be no boats of any kind after three days passing.

The river is now falling, the fall coming as quickly as the rise did. After rising fourteen feet in twenty-four hours the river began falling last night and fell eight tenths of a foot. The gauge this morning marks 21.3.

The Laurance blew for first passage across the river this morning at 6:30. Many heard the whistle and remarked that it seemed like old times. "The alarm clock has returned" as one man said. The boat is now in first-class shape and the ferry problems are now at an end.

Mrs. Harry Bloomberg left for her home in Chicago yesterday after a two weeks' visit with Mrs. J. P. Nash and family of East Second street.

### OUR COLORED CITIZENS

The funeral of Alice Jackson, who died Wednesday morning, will be held Friday morning at 10 o'clock.

## "FANTASMA" AT THE PASTIME TODAY

The Edison production of Hanlon Bros., "Fantasma" featuring George Hanlon, Jr., as Pico, is the special feature to be presented at the Pastime Theater today afternoon and evening. "Fantasma" will no doubt prove to be a popular attraction for the Pastime. Special tomorrow, "The Red Circle" and "Who's Guilty?" a great big show for a dime. Go to the Pastime and forget the heat. Everyone says "It's the coolest place in town." Chilled air at the Pastime and always a good show.

## NOW HAVE PART OF A STREET FINISHED

Well, part of the new brick streets is finished. A part of Bridge street is absolutely finished for about twenty feet on the southern side of the street. The south side of all the streets in the East End will be finished first to give a passage way and then the north side will be completed. A small portion of the street has also been laid east of the bridge.

### PRAYER MEETING

"Partnership-Fellowship" will be the subject Rev. Wilhoite will discuss tonight at his prayer meeting. The friends and public are cordially invited. Rev. Wilhoite will preach an inspirational sermon at Aberdeen, Friday night in the absence of Rev. Williams who is in the Church to Church Campaign.
